Log into the service at the same place, www.aimosharing.fi. Enter the username and password you created when you registered, then press the LOG IN button.

If you forget your password, reset it by pressing the FORGOTTEN PASSWORD button.

The screenshot shows the Aimo Park login and registration interface. At the top, the logo "aimo park" is displayed with the tagline "Rethink Parking." Below the logo, there are two input fields: "Username" and "Password". A blue button labeled "LOG IN" is positioned below the password field. A red button labeled "FORGOTTEN PASSWORD" is located below the "LOG IN" button. Below these buttons, there is a registration section with a text input field labeled "Please, input join code here" and a blue button labeled "JOIN". At the bottom of the interface, there is a language selector "FI | EN" and a footer that reads "Powered by Driveco".

Booking a car

1/3

When you book a car, start by selecting the nature of booking (work/private) and the start and end time of the booking. The available cars during that period will be listed at the bottom. Select your car by pressing the car name and registration number.

Reservations can be made up to 14 days in advance.

The screenshot shows the 'New reservation' screen in the aimo park app. At the top, there are three tabs: 'RESERVE' (with a car icon), 'RESERVATIONS' (with a checkmark icon), and 'SETTINGS' (with a gear icon). Below the tabs, the title 'New reservation' is displayed. There are two buttons: 'WORK' (checked) and 'PRIVATE' (unchecked). Below these are two date pickers for 'Starts' and 'Ends', both set to '05/11/2020'. There are also two time pickers: 'Now' and '16:00'. Below the time pickers are two dropdown menus: 'Show all vehicle groups' and 'Show all home places'. At the bottom of the form, there is a toggle switch for 'Show reserved vehicles'. Below the form, there are two car listings. The first listing is for a 'Nissan Leaf' with registration 'FPP-975' and a 'CAR LOCATION' button. The second listing is for a 'Nissan Leaf' with registration 'IRZ-723', a '100%' battery level indicator, and a 'CAR LOCATION' button.

Booking a car

3/3

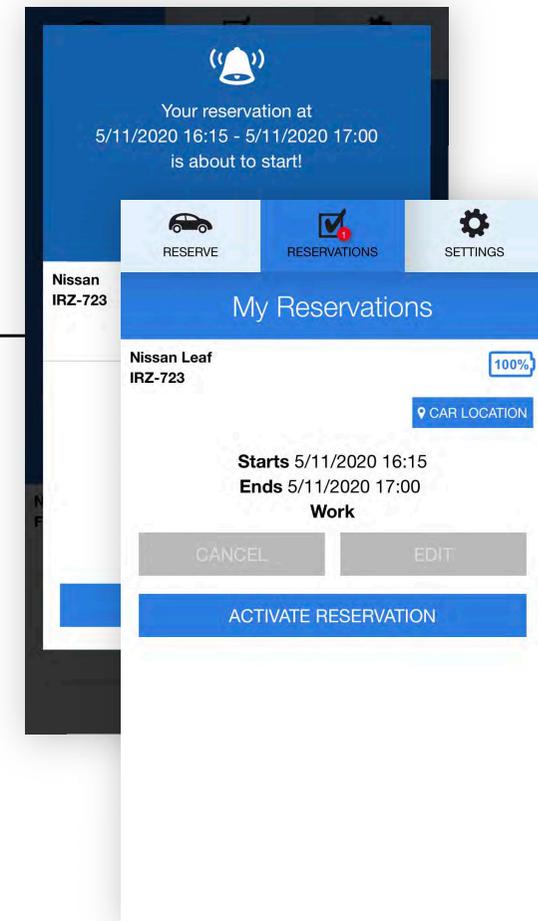

The reservation is confirmed. Press the **VIEW MY BOOKINGS** button to see all your own bookings. You will also receive your booking confirmation by e-mail.

Start using the car

1/3

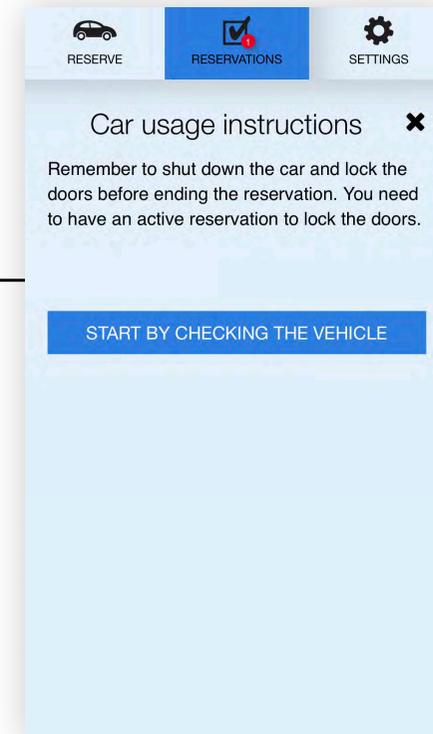

When it's time to use the car, start by pressing the **ACTIVATE RESERVATION** button.

Start using the car

2/3

After reading the car usage instructions, press the **START BY CHECKING THE VEHICLE** button.

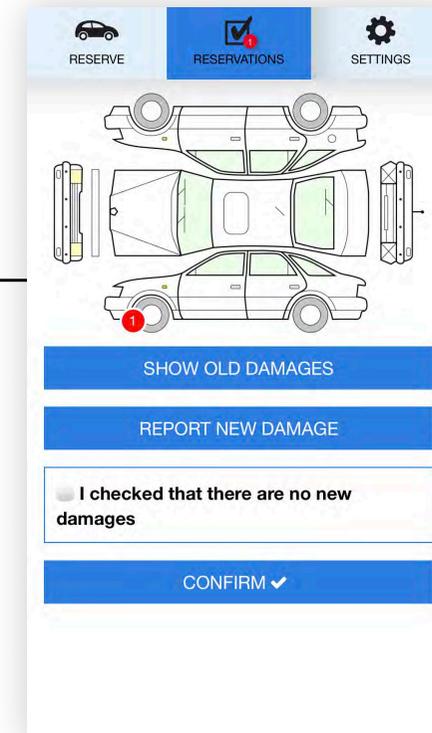

Start using the car

4/3

First, it is a good idea to check the car for current damage with the **SHOW OLD DAMAGES** button. If you find new damage to the car, press the **REPORT NEW DAMAGE** button and indicate all your findings, preferably with photos.

If the car is fine, select "I checked that there are no new damages" and press the **CONFIRM** button.

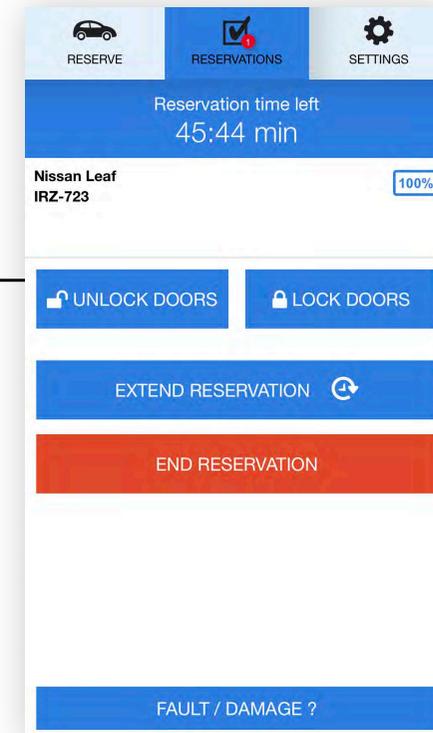

Driving the car

1/4

Start by pressing the UNLOCK DOORS button. If the car is charging, disconnect the charging cable from the front of the car and the charger. Store the cable in the trunk of the car.

If you need to extend your booking and the car is vacant, just press the EXTEND RESERVATION button.

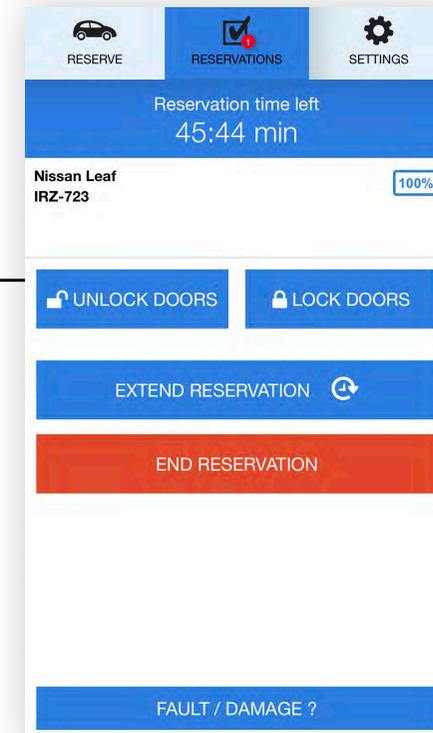

Driving the car

2/4

Use the LOCK DOORS and UNLOCK DOORS buttons, if you need to leave the car at some point of your journey.

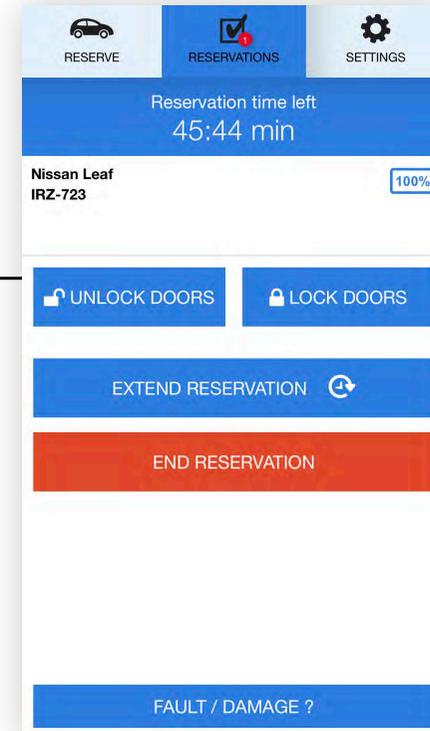

If the car breaks down or is damaged during your booking time, please report immediately by pressing the FAULT / DAMAGE? button.

Driving the car

3/4

End your booking by pressing the END RESERVATION button, and confirm it with the END RESERVATION AND LOCK DOORS button.

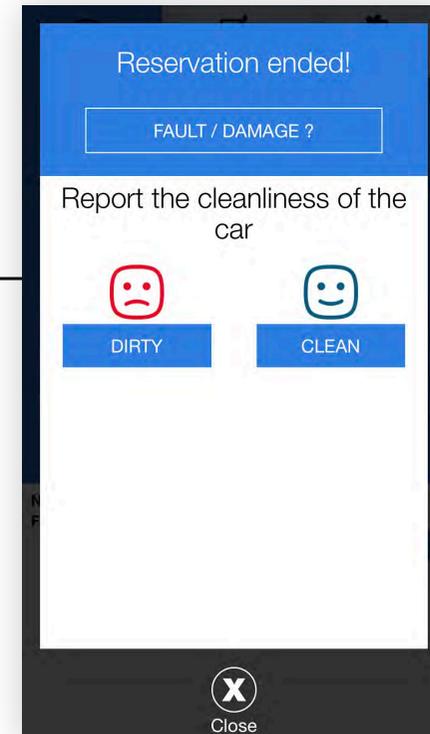

Driving the car

4/4

When the booking has ended, you can still report an observed damage and assess the tidiness of the car.

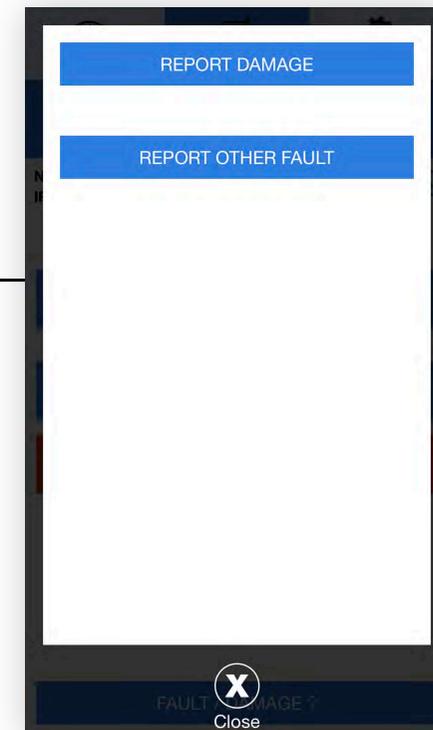

Finally, you will see a summary of your booking and get a receipt via email.

Fault or damage

1/4

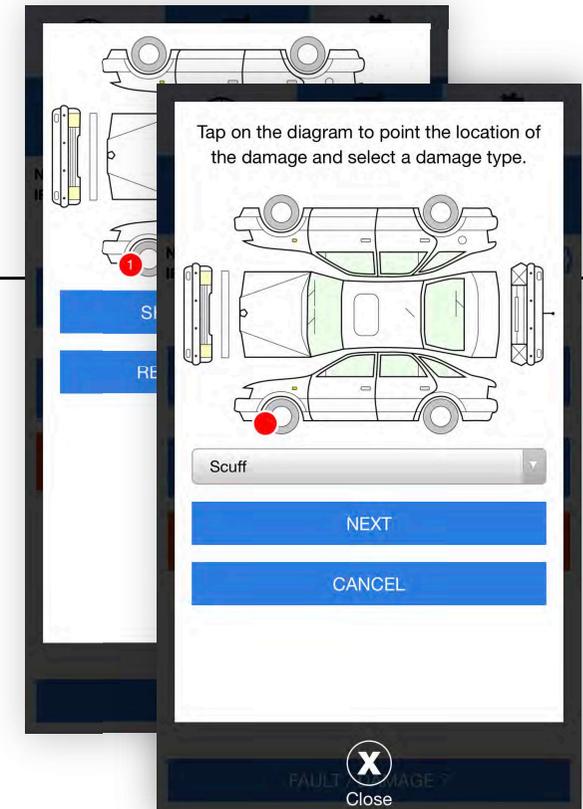

In the **Fault or damage** view you can indicate a damage to the car (e.g. a scuff) or other faults (e.g. a technical failure or poor condition of the wipers).

Fault or damage

2/4

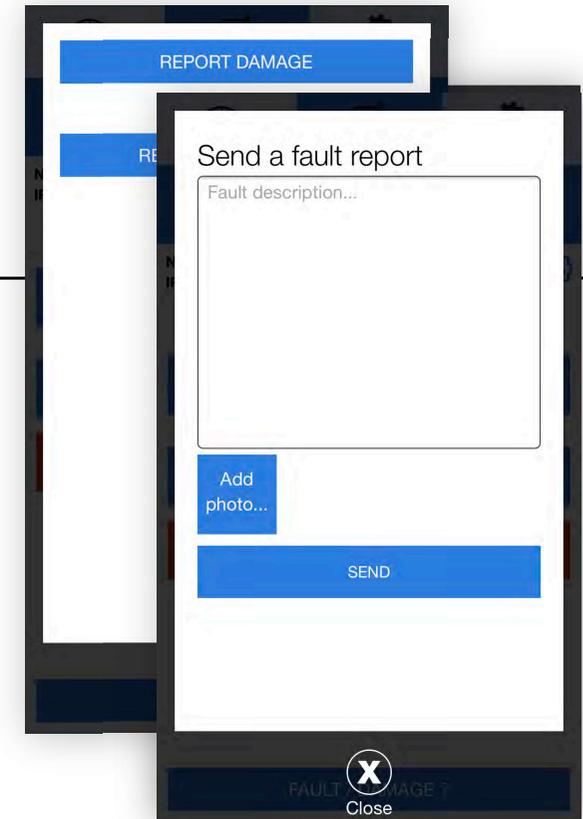

For a new damage, press the REPORT NEW DAMAGE button. Mark the location of the damage, select the type (e.g. scuff) and press the NEXT button.

Fault or damage

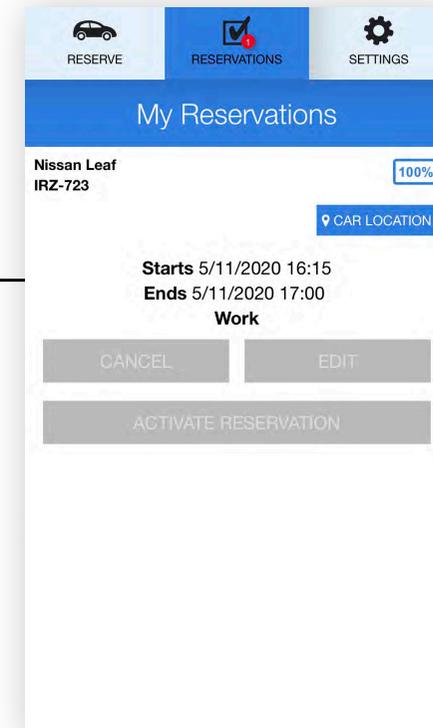

4/4

Report other faults with the OTHER FAULT button. Write a clear description of the fault and add a photo if possible. Then confirm the message by pressing SEND.

Your bookings

You can view, cancel and modify your own bookings on the MY RESERVATIONS tab. There you can also check the location of the car by pressing the CAR LOCATION button.

Settings

On the settings tab, you can change your phone number, e-mail confirmation and calendar notes of booking confirmations, add or remove a payment method and change your password.

Here you can also access your booking history and check the operating instructions.

The screenshot displays the 'Settings' screen of the aimo park app. At the top, there are three tabs: 'RESERVE' (with a car icon), 'RESERVATIONS' (with a checkmark icon), and 'SETTINGS' (with a gear icon). The 'SETTINGS' tab is active. Below the tabs, the word 'Settings' is displayed in a blue header. The main content area includes a 'Phone number' field with a text input box. Below this are two toggle switches: the first is checked and labeled 'I want to receive reservation confirmation emails', and the second is unchecked and labeled 'I also want to receive calendar events with my reservation confirmations'. A blue button labeled 'ADD PAYMENT METHOD' is positioned below the toggles. Further down, there are 'New Password' and 'Repeat Password' fields with text input boxes, followed by a blue button labeled 'SAVE PASSWORD'. Below that is another blue button labeled 'LOG OUT'. At the bottom, there are four links: 'Reservation History' (with a circular arrow icon), 'User guide' (with a question mark icon), 'Problem? Call 020 781 2490' (with a warning triangle icon), and 'Send feedback' (with a speech bubble icon).

Thank you!
